Chase's Report

September was a busy month for the maintenance crew. We completed several projects including the new forward tee on #9 East. We also finished the clearing of underbrush along #6 South and #7 West. The dry weather allowed for a fast start on fairway and tee aerification. At this pace, we should be finished with all aerification by early this month. In October, we will be busy with leaf removal and resodding any worn areas on the course as needed. Thank you to all who took the time to fill out the latest golf course survey. Your encouragement and suggestions are taken very seriously and help us make adjustments for the future.

Frost Alert!

On these cool October mornings, even if you don't have frost in your yard, we may have some on the golf course. This is due to the shorter grass, the watering of the course, and low areas lying close to water. Make sure to check your e-mail or with the Golf Shop for opening information before you head to the club.

Fall Guest Fees!

Effective immediately, Old Oakland Fall guest fees are in place for the rest of this golf season! \$49.00 for eighteen holes and \$25.00 for nine holes.

Hole #7 West hosted a couple of Eagles and a Double Eagle!

On Sunday, August 23, Tim Lawson put together a 5-wood, 6-iron, and a 50 degree wedge from the fairway for his eagle three!

On Friday, September 11, Craig Tschohl hit his 23 degree hybrid from 181 yards, to eight inches of the hole, and then drained his putt for his eagle three!

A double congratulations to Dan Feeney for his double eagle on hole #7 West! Dan was playing on Friday, August 28, from the silver tees. He hit his hybrid from the teeing area and then holed out his 5-iron for a two!

Again, congratulations for your once-in-a-lifetime feat!

Rich DeCamp was playing hole #6 South on Saturday, August 22. After his second shot, he was 148 yards from the hole. He pulled his trusty 8-iron from the bag, made his swing, and watched the ball roll into the hole. Great shot, Rich!

Congratulations to Pat Depalma for an eagle on hole #9 South! Pat was 106 yards away from the hole, chose his pitching wedge and knocked it into the hole!
