Chase's Report

The month of October ended up being very cool and wet. This made aerification very challenging this year. However, we were still able to complete all greens, tees, and fairways by the 19th of the month. We will spend November working on several projects. We will continue our tree pruning and the removal of dead trees throughout the course. Underbrush removal will also be continued as we have received many compliments since we began this project. Several bunkers are on schedule to have drainage repair. We will also be re-sodding any worn areas from this year along cart paths and bunker edges.

GOLF SHOP

Last month it was reported that Pat Newman was the lone second place winner in the Ladies League Championship; it should have stated that Pat Newman and Marcia Anderson tied for second place. Congratulations to both!

Golf Shop, Range, and Golf Course Hours

Current hours: Golf shop opens at 9:00 a.m. and closes at 6:00 p.m. Please keep checking with the Golf Shop as the days grow shorter.

To facilitate golf course maintenance, starting in November the golf course, driving range and golf shop will be closed on Mondays.

Frost Alert!

On these cold November mornings, even if you don't have frost in your yard, we may have some on the golf course. This is due to the shorter grass, the watering of the course, and low areas that are close to water. The golf shop will keep you updated by e-mail, or you can always call us for the latest information on the golf course, before you head out for the club.

Thanksgiving Day

The Golf Shop will be closed on Thanksgiving Day.

End of Year Clearance Sale

Personal Accomplishments

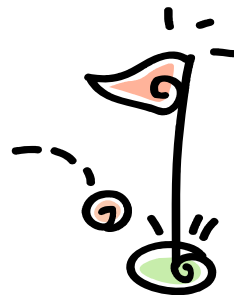

Congratulations to Jerry Hall for shooting his age on Wednesday, September 23, 2009. On his way to carding his 78, Jerry holed out his 9-iron on hole #2-South for an eagle two!

Eagles

Congratulations to Chick Vladuchick for his eagle on hole # 7-West! On Thursday, September 29, 2009, Chick hit 3-wood to the fairway, 5-wood to the green, and then he holed his putt for his three!

Hole-In-One

Congratulations to Chuck Schnepf, a new member, for his hole-in-one on hole #8-south! Chuck was playing the white tees on Monday, October 2, 2009 and on the tee, pulled his 8-iron out of the bag, hit the shot, and watched the ball take one hop and disappear into the hole!
