Chase's Corner

The maintenance staff has been busy this winter preparing all of our equipment for the upcoming season. We were also able to complete some tree pruning during the few breaks we had in the weather. As soon as the ground thaws and stabilizes we will begin prepping the course for opening. These preparations will include limb and debris cleanup, bunker preparation, and rolling greens. We will open the driving range first, followed by the course as soon as it is playable. We will update the Pro Shop daily as to our progress. The maintenance staff is looking forward to a great 2010 season and hopes to see you out on the course soon.

Golf Shop

As we gear up for a new season, we would like to welcome back our returning Members and hope everyone had a great winter. The golf staff has been working all winter with great expectations of a wonderful 2010 season.

Staff Information

We are happy to say that Elliot Elger and James Fairly will be back with us for 2010. We would like to introduce Patrick Dodson to the staff of golf professionals. Please stop in soon and introduce yourself.

Golf Shop Hours

The Golf Shop opened on Tuesday March 2, 2010.
The Golf Shop hours will be: Monday – Closed
Tuesday-Saturday 9:00 – 5:00
Sunday 10:00 – 2:00

Remember that we always keep the out-going message up to date on golf course conditions and golf shop and driving range hours, 823-4791.

RE-GRIP RE-GRIP RE-GRIP

Have your golf clubs been in your car trunk, or out in that cold garage? Do they feel like they have dried out and are cracking in spots? New grips are a great way to start the season, especially while the Golf Shop is offering last year's prices on the grip of your choice.

2010 Guest Pass Program

Old Oakland will again offer the 10-play pass for guest fees. You may buy ten 18-hole guest fees in advance for only \$425.00; or ten 9-holes guest fees for \$225.00. So stop in, call, or email the Golf Shop and get yours today!

Valentine's Day

The dining room was full Saturday, February 13, to celebrate Valentine's Day 2010! With live piano music and great food, a good time was had by all!
