The breakfast begins at 9:30 am in the dining room on April 15th. To make reservations for this event, call the dining room.

Signups are now available for the 2010 Ladies golf leagues. Both leagues are handicap leagues, meaning games are played using your handicap to equalize scoring among golfers of various levels. The leagues are open to any woman who is a golfing member of Old Oakland.

The Ladies 18-Hole Golf League plays on Thursday mornings and the 9-Hole League plays on Tuesday mornings. You may join one or both of the leagues.

To join the 18-Hole League contact Judy Butts at osu66@sbcglobal.net or phone 842-4872. The cost for league events and prizes is \$50. Send your check, payable to 18-Hole Ladies Golf League, to Judy at 11016 Innisbrooke Lane, Fishers, 46037. You may also bring your check to the Spring Scramble.

Chase's Corner

The maintenance staff would like to welcome everyone back for the 2010 golf season. Those of you who have been out to play this year probably have noticed that the long winter snow cover was kind on the course. We experienced minimal tree damage and in general the course weathered the winter months pretty well. April is a time for heavy turf growth so our main focus will simply be keeping up with the mowing in between the usual heavy rains of spring. We will also begin replenishing mulch beds as well as charging the irrigation system.

As a reminder, we will be updating course conditions, including any weather related delays or cart restrictions in real time on Twitter. So, if you want the quickest

and earliest reports on what is happening on the course simply sign up and you will be updated as needed. Please check with the Pro Shop staff if you need assistance in setting up your Twitter account.

Golf Shop

JUNIOR GOLF PROGRAM

School will be out soon, and now is the time to get your child enrolled in Old Oakland's junior golf program. We will be sending out details shortly.

MERCHANDISE FOR 2010

All the latest and greatest new golf equipment is arriving daily. The Golf Shop is stocked with new demo golf clubs for you to try! You would not buy a new car without a test drive; you would not buy a pair of shoes without trying them on first. Why would you want to buy a new driver or a new set of irons without using them on the golf course? All golf equipment is not created equal! If your present clubs do not fit your swing then you have to alter your golf swing in order to hit good shots. Old Oakland's golf professionals are certified club fitters and are ready to help you improve your game! We can assess your swing and find your club specifications including lie angle, shaft length, shaft type and flex, and your grip size. It is also very important to be able to observe ball flight. When you try to be fitted by hitting balls into a net, you are only getting half the story. To be fitted properly, you need to see what the ball is doing down range as well. From all this important data, we can order a tailored set of clubs as individual to you as your fingerprints.

DEMO DAYS

Try out your next favorite club!

Ping – Saturday May 1, 10:00 am -2:00 pm

Titleist & Cobra – Sunday April 25, 10:00 am - 2:00 pm

RE-GRIP RE-GRIP RE-GRIP

Have your golf clubs been in your car trunk? Or out in that cold garage? Do they feel like they have dried out, or are they so slick you can barely hang on to the club? New grips would be a great way to start the season, and they have just arrived in the Golf Shop. Come in now and get your golf clubs re-gripped for the season.

GOLF SHOP AND DRIVING RANGE HOURS

As the days become longer, the hours of the Golf Shop and range are constantly changing. All hours will be posted on our website, in the Golf Shop, or you may

call for an update. If the shop is closed, the hours are posted on the outgoing message.
