Welcome New Members

Ross Barclay

Indianapolis, IN 46236

Some of you may remember Ross when he was in the junior golf program.

Ross, we are happy to have you back at Old Oakland.

Dining Room Specials

Fried Chicken

Thursday evenings feature Chef Michael's hand-breaded Fried Chicken. Dinner is served all-you-can-eat, family style. The Chef's special recipe has made Thursday evenings popular at the Club!

Happy Birthday to You!

The Member's Birthday Party— continues into July. If you have a birthday anytime in July, plan on being here July 9th, for your free birthday dinner. Gather your family and friends and come celebrate your birthday with other members who were born in July. Please let us know you are coming, and we look forward to celebrating your special day.

Saturday Night Cookout

The cookouts continue! Plan to come to the Club some Saturday night for steaks, burgers, and hot dogs, served with all the picnic style trimmings. Meals will be served on the deck or in the dining room.

Chef's Table

We have added a special feature to our Friday Night Buffets. Chef Michael will be cooking on the buffet line in the dining room and will be attending personally to the service of the reserved Chef's table. If you would like to get more details or reserve this special table, please call Richard at 823-5355.

Chase's Corner

Rain and more rain was the theme for the month of June. The golf course received over 11 inches of rainfall. The maintenance staff was kept very busy with mowing between rainfalls and constantly pumping and putting bunkers back together. Some areas of the fairways remained under water for several days and did not survive. We will spot aerify and seed these areas to restore them to playability. We were however able to complete the edging of all bunkers. July will be spent performing selective tree pruning and removal of any dead wood throughout the course. We will also concentrate on eradicating the poison ivy that is beginning to take over some of our natural areas. We have already begun this process and have had good success so far.

Turf Tip

The first of July is the perfect time to apply a grub control product. This is usually just after the peak egg laying season for Japanese beetles. Be sure to use a product with the active ingredient

Imadacloparid. This product has a long residual and will give you season long grub control if you apply it during the first two weeks of July.

GOLF SHOP

Personal Accomplishments

Congratulations to John Zehner for his eagle on hole #7 West. During an Old Buddy match on Sunday, June 13, after reaching the green in 2, John was left with a tap in for his eagle three!

Congratulations to Tony Wood for his eagle on hole #7 East! On Friday, June 16, Tony hit a 5 wood to 35 feet and drained the putt!

On Monday, May 31, Bob Gruesser, while playing hole #6 south, hit his hybrid to 45 feet and then holed the put for his eagle 3!
